Cross Breeds (not mentioned above)	Varies	Price will be based on the individual dog, however, will be approximately the higher charged price breed.		
Puppy Intro	From 12-26 weeks	Prices are 75% of the full groom price. (Puppies can be brought as soon as they have had their vaccinations).		
Hand-stripping	Varies	Price will be based on the individual dog and is worked out at the bath price plus £35 per hour of stripping.		

Please note, the above prices are guide prices and are based on good coat condition and your dog being regularly groomed within reasonable timescales. Not following a regular grooming schedule or poor coat condition may lead to increased charges.

We need to consider various factors as they determine the levels of work required. We do not want to overcharge you neither do we wish to underestimate our work. Please be as precise as possible when describing your dog to us over the phone.

The price of the grooming will be agreed with you before we start the groom.

Additional services:

De-matting (extra price incurred)

This is an extra charge that will be discussed with you on arrival, the cost will be dependant on the severity of the matts along with the wellbeing of your dog being our main priority, which may mean a de-matting service not being possible and a shorter than normal cut required instead.

The extra charge is due to increased wear and tear on the equipment, added to the additional time required.
